**ZOO MANNERS**

- > Please respect the animals. Report any disturbance of the animals to 415-753-7080.
- > Please do not feed Zoo animals, peacocks, gulls, or squirrels.
- > Please do not let children stand on railings and fences.
- > Photography is welcome, but no selfie sticks. Stay safely behind barriers and only in public areas.
- > Please no smoking. The entire Zoo (including the parking lot) is a non-smoking facility.
- > Please do not pick flowers, uproot trees and shrubs, or strip branches or leaves.
- > SMILE! Today you may be videotaped or photographed by a San Francisco Zoo employee, authorized guest, or electronic surveillance. Admission serves as permission for use of your image by these parties.
- > Some animals may not be on exhibit the day of your visit. They have indoor/outdoor access. Not all animals at the Zoo are shown on the map.

# SAN FRANCISCO ZOO & GARDENS

# TREASURE HUNT

## RULES

Follow the hints and take a picture at each location. Show all of the pictures to the staff at the Gift Shop and receive a prize!

Use your treasure hunting powers to find insects that make honey from the nectar of flowers.

For your next pic make sure you pose in the garden where you should use your nose.

Animal patterns come in all types, but none are quite like these black and white stripes.

To earn your prize, you must find the great ape that is largest in size.

Make sure you look high and low for a species that went extinct long ago.

You're almost done so use your map to find the ride that stays on its tracks.
